

## Sight Word Challenge

Practice these sight words as much as you can and/or are able to. Have someone call out the words while you spell them out loud or write them down. The words start easier (kindergarten level) and get more and more difficult as the lists go on.

When you are ready to be tested, sign up in class. You can test once a day (maximum) or once a week (minimum).

We will put a check if you pass that level & are ready to move onto the next level or a check if you need to practice a little more until you are able to move to the next level. You must be able to get 9 out of 10 correct to move on. If you spelled any incorrectly, there will be a dot beside it to help you practice that night.

### REWARDS:

After every 5 lists that you pass, you will be able to pick out of the Treasure Box. After passing List 20, your name goes on our Wall of Fame! After passing List 40, you get a sweet treat AND you get to be a Spelling Captain! As a Spelling Captain, you can test your classmates! If you want to continue past list 40, we have them ready- it's your choice to be challenged! Good luck!
